Stafford Cliff : 1,000 Garden Ideas: The Best of Everything in a Visual Sourcebook before purchasing it in order to gage whether or not it would be worth my time, and all praised 1,000 Garden Ideas: The Best of Everything in a Visual Sourcebook:

THE BEST OF EVERYTHING A GARDENER COULD WISH FOR In more than forty years of travel, Stafford Cliffdesigner and gardenerhas gathered a planets worth of inspiration on elements to enhance a garden. The result is 1000 Garden Ideas, a visual encyclopedia bursting with just about every garden idea ever invented by man or inspired by nature, artfully presented in more than 1000 photographs. Plantings may be the essence of the garden, whether its a tiny patch in the backyard or acres of land extending for as far as the eye can see. But elements worthy of the planting can take a garden to unique and exciting new heights. With a designers eye and a gardeners heart, Cliff has assembled

an endless array of ideas, from all over the world, to make a garden more personal: fences and pools, paths and benches, statues and waterfalls, borders and bridges even birdhouses and follies. Within each category are hundreds of illustrated examples, ranging from traditional to contemporary; from simple to complex; from homey and rustic to downright Byzantine. Its all here, whatever your taste, your need, or your fantasy. And if youre breathless with so many choices, Stafford Cliff is there to help you arrive at the best decisions for your own particular space, through a series of questions: Do you want privacy or maximum light? Do you envision a contrast to the style of your home or neighborhood, or complete harmony? Do you prefer peace and quiet, or the soothing sounds of rustling leaves, bubbling water, and bird song? Theres glorious visual advice on plants and plantings: what kinds of containers to put them in; how to use them in your space; what to surround them with; and much more. In addition, an extensive list of suppliers makes it possible for you to turn inspiration into reality. If youre a seasoned gardener, or even if youre an aspiring one, this is a book for you, lush with ideas for the garden of your dreams.
