Floor plans for everyoneBy Shannon DeanThis book has some awesome floor plans!!! Floor plans from small to huge, you'll most likely find something you'll love.0 of 0 people found the following review helpful. Four StarsBy Grandma SueVery detailed for building a log home

Surveys show log home floor plans are the favorite sections of industry-leading magazines including Country's Best Log Homes, Luxury Log Homes, Timber Frames, Log Homes Illustrated, and Timber Homes Illustrated. From thick and powerful logs framing the structure, to the rustic, yet classic feel of a log home with a fire in the hearth, there's

something magical about a log home. A nod to a simpler time, today's log homes achieve "pioneer" without being primal, and it all begins with the floor plans. Take the time to peruse 100 of the finest log home plans on the market today, accompanied by 300 spectacular exterior and interior color photos in this exciting guide from log home experts. Turn to this guide for inspiration and insight with complete confidence that you're getting the best the industry has to offer."
