with 1000 lights. Charlotte Fiell is half of the original team. So this edition will be half as satisfying for detail lovers, and twice as good for those who want just the big hits. The text and captions are in English, French, and German. I wished for more complete details in a single language. 1000 Lights provides a great visual experience for design fans. 1 of 6 people found the following review helpful. Picture BookBy Allan EnemarkIf you just want to see alot of lights with basic information, this is the way to go. Real pretty.

Light up your life: Luminary design since the invention of the light bulb Designed to be a companion to the classic title 1000 Chairs, this edition contains an awesome selection of over 1000 lights. Presented chronologically by decade are history's most interesting electric lights, from Edison's first light to Tiffany's beautiful leaded glass shades to completely outrageous designs from the late 1960s and 1970s to the latest high-tech LED lamps. All major styles are represented here?Arts Crafts, Art Nouveau, Art Deco, Modern Movement, De Stijl, Postwar, Pop, Radical, Post-Modern, and Contemporary?in 704 pages of truly illuminated works. This definitive reference work is a must-have for collectors and design fans. The editors: Charlotte J. and Peter M. Fiell run a design consultancy in London specializing in the sale, acquisition, study and promotion of design artifacts. They have lectured widely, curated a number of exhibitions, and written numerous articles and books on design and designers, including TASCHEN'S 1000 Chairs, Design of the 20th Century, Industrial Design A-Z, Designing the 21st Century, Graphic Design for the 21st Century, and Scandinavian Design.
