Jo Cryder : 1000 Shutters Awnings (Schiffer Book) before purchasing it in order to gage whether or not it would be worth my time, and all praised 1000 Shutters Awnings (Schiffer Book):

Hundreds of homes are shown to illustrate an inspiring variety of shutters and awnings found throughout the United States. This unique and rich collection of color imagery provides an opportunity to compare designs and installations. Exterior shutters include traditional Colonial forms, decorative and operational shutters, and hurricane shutters. To finish off the windows, a broad selection of awnings is displayed. This book will benefit architects, designers, builders, homeowners, and craftsmen seeking to create their own architectural embellishments.

About the Author In 2004, Jo Cryder set off on a two-year odyssey visiting and photographing a wonderful sampling of America. Her other books for Schiffer Publishing, Ltd. include 1000 Fences and Gates and 1000 Dormers.
