Richard Wiles : 1001 Ideas for Stonework: The Ultimate Sourcebook before purchasing it in order to gage whether or not it would be worth my time, and all praised 1001 Ideas for Stonework: The Ultimate Sourcebook:

0 of 0 people found the following review helpful. very helpfulBy Shoelessjoe1easy and understandable----very helpful to rookies. I learned a great deal. Good reference for those thinking of doing a stone project.1 of 1 people found the following review helpful. Great BookBy Roger A. Lebell really liked this book. I am building a stone house and I buy these types of books for ideas. I am really into my landscaping and do a lot with rocks. I use these books more for a visual to give me an idea and this book fit the bill.1 of 1 people found the following review helpful. Great for ideas for stonework for housesBy DavidVery short section on stonework for gardens and patios. Lots of ideas for homes - seems to me especially interior stonework.

The natural look and feel of stone is unmatched by any other building or decorating medium. It provides a professional and elegant appearance that is also practical and durable for home interiors and exteriors. Thousands of inspirational photographs in this book show you how to integrate this prized material into your home. Packed with expert advice on design, materials, budgets, maintenance, and installation, 1001 Ideas for Stone Work is your professional guide to working with stone.

About the Author Richard Wiles has written about do-it-yourself home projects and house remodeling for more than 30 years, and he is an authority on period home renovation. He has contributed to major magazines, including *Ideal Home*, *House Beautiful*, *Traditional Homes*, *Period Living*, *Practical Householder*, and *Do It Yourself*. For many years he wrote inspirational articles on interior design and decoration. Previously an editor at *Jobmate* and *Fix It* magazines, he is also author of numerous practical books, including *Garden handyman*, *RHS Book of Garden Structure*, and *Creative Garden Projects*.
