Never knew there were so many uses for hydrogen peroxide!!! By Katie W. This book is a must have for anyone trying to keep a clean house that is also free of toxic chemicals. The author begins by explaining how hydrogen peroxide works, and also why it such a natural cleaner that is non-toxic. Then the author explains all of the different ways how you can use this in your household. I appreciated the detailed instructions for percentages of how much hydrogen peroxide to use for each mixture or cleaning product, as well as the wide variety of uses for hydrogen peroxide. You can literally replace all of the toxic cleaning products in your home with hydrogen peroxide! I also appreciated other creative uses for it in your garden, with your pets, and so many more. Very detailed resource on hydrogen peroxide for anyone who wants to learn, and keep a clean green home. 14 of 14 people found the following review helpful. Hydrogen Peroxide is a must in everyone's home. By wjgI got tired of using all these household cleaners containing chemicals to clean my home. I gave hydrogen peroxide a try and was pleasantly surprised. I used it in the kitchen to clean appliances, grout in ceramic tile flooring and also to unclog a bathroom drain. It also works great to remove food stains from clothing. Hydrogen Peroxide has become a staple for so many uses in our home. The book is great and I would recommend it to everyone.

About the Author An avid nature enthusiast since childhood, Ms. Mundt has spent a lifetime appreciating the wonders of the natural world. Her love of nature led her to seek "earth friendly" solutions in all areas of her life. Raising four boys, she tested hundreds of different cleaning, laundering, bleaching, stain and odor removal and other household products and remedies. She was not satisfied to "go green" without "real clean". she has been a tough customer for many so-called "green" products. In recent years Ms. Mundt has turned her attention to research and writing in the areas of natural living, sustainable practices and inner exploration. She currently makes her home in Oregon, with her husband, 2 dogs, 6 chickens and 3 ducks.
