Marie Galastro : 1295 Best-Selling Home Plans (Country Farmhouse Home Plans) before purchasing it in order to gage whether or not it would be worth my time, and all praised 1295 Best-Selling Home Plans (Country Farmhouse Home Plans):

0 of 0 people found the following review helpful. Five Stars By christi flowers These plans are great. We still haven't decided what House to build yet, but love looking at the plans. 2 of 2 people found the following review helpful. Good resource for traditional homes By Lynn B. -- Albuquerque This is a fine book of house plans, but they were all for more traditional homes. My brother wants to build a modern mountain home in Colorado, and none of these plans would have been appropriate for him. 7 of 7 people found the following review helpful. If you love home plans, this is a great collection By ReginaShopaholic I own three books filled with house plans so far: 1295 best-selling, lowe's best-selling and lowe's ultimate book of home plans. All three are fantastic. High recommend. Tons of plans in great detail. Big

and heavy book, but you won't find much better. Many plans also include a front view of the finished house and the pages are large enough to see the details in the plans.

This value priced book offers the world's biggest collection of high-quality home plans - from cozy cottages to towering mansions, from country to contemporary. With the most up-to-date plans from 66 of the nation's most respected designers, this book pro
