Bruce P Galle : 14 Day Worm Castings: Convert 100% Of Worm Bedding Material Into Worm Castings In Just 2 Weeks! before purchasing it in order to gage whether or not it would be worth my time, and all praised 14 Day Worm Castings: Convert 100% Of Worm Bedding Material Into Worm Castings In Just 2 Weeks!:

1 of 1 people found the following review helpful. e-book on 14 day castingsBy kayle zimmermanThe book was werll

written a 14 days and full of information. The only reason I did not give it a 5 star is that some of the material needed to properly follow the book were very hard to find in my area (state) or extremely expensive to be shipped here. The composted material, when I was able to find it was a great product, but the shipping costs prevented me from its continuous use and therefore could not make the casting in 14 days without it. 1 of 1 people found the following review helpful. pricey By happy I felt that the paper back pamphlet was pretty pricey for the amount of information given. 0 of 0 people found the following review helpful. Worms galore! By A. Starks I have a worm farm and when I first started out, I read all the books that I could get my hands on. This was one of those books. This book has a lot of great ideas for the beginner. Great read!

Secret Revealed - How to turn 100% of worm bedding material into Worm Castings (organic fertilizer) in just 14 Days... Same technology developed and utilized by The Worm Guy himself! Bruce started raising worms for his personal fishing needs over 35 years ago. Since then he has expanded by raising red wigglers, African nightcrawlers, European nightcrawlers and Alabama Jumpers in controlled environments to insure the best quality worms and worm castings. "In the world of earthworms, there is perhaps no one more knowledgeable than South Carolina's Worm Expert Bruce Galle... .. Master Wormologist" OutdoorLife Magazine Learn how to make the same superior worm castings highly sought after by golf courses, nurseries and vineyards! Each bucket is completely turned over into worm castings every two weeks. The worms are placed in a pre measured amount of a specific type of bedding material, fed a consistent diet which in turn produces a consistent worm casting every two weeks! I explain how to benefit even further by breeding and raising your own worms. Get simple, step by step directions from harvesting the cocoons (worm eggs), hatching the cocoons, setting up a growing bin, at what age to place them in their own worm casting producing bin and more. The benefits allow you to expand your worm castings production as well as make additional income by selling these special worms which make a superior fishing worm! Bonus 1 Includes directions for you or your customers on how to use your worm castings broken down into a variety of different types of plants. Also receive a couple simple recipes to make your own worm tea! Bonus 2 Includes how to obtain your set of FREE plans for the easy to build Worm Harvester 200 made from simple items such as bicycle rims, hand drill to run the machine...
