**Alex Sanchez : 150 Best Minimalist House Ideas** before purchasing it in order to gauge whether or not it would be worth my time, and all praised 150 Best Minimalist House Ideas:

10 of 12 people found the following review helpful. This is the only review of this book. You basically have no other options. By Michael Here's the basic layout of the book: 1) Building location and architecture design info 2) Exterior photos and building layout diagrams 3) Interior photos Tips are placed in-between the photos that they relate to. Consider that... \*This book's focus is not about minimalist living or decorating, although you can use the interior photos for design inspiration. (About half of the photos are of the outside of the houses.) \*This book and many of its tips are geared toward someone who is involved in architecture and building design of minimalist homes. \*Considering the cost to own these homes, a lot of this book is impractical to the average income person. \*For those who have a strict cellular data limits, the e-book has a large file size of 67mb, per . Positive and Negatives: + Very long length, with a lot of photos. - Picture quality on the layout diagrams is poor. The text is blurry, even when zooming in. With smaller devices, like the iPhone 5, you will need to constantly zoom in on the diagrams to be able to view them better. Final Notes: \*Overall, the provided tips are much more relevant to someone designing and building a minimalist home from the ground up, rather than someone trying to decorate or convert their home without having major construction. However, this book does have a lot of pictures of minimalist homes, which could be helpful for those with an interest in this subject. In the end you have to decide if this type of book, as explained above, is what you are looking for. 0 of 1 people found the following review helpful. she loved it. Has a new beau that is a ... By Cathy N. This was a gift, she loved it. Has a new beau that is a bit of a minimal freak and I think this will help. Cathy 1 of 3 people found the

following review helpful. This book has some nice pictures, but it's a small bookBy Mark SeakThis book has some nice pictures, but it's a small book, so it was hard to keep the pages open without having to hold onto the book. the cover is hard back, but has a paper cover. My book's cover was torn in 3 different places, which made it look used. possible careless packaging?

Filled with hundreds of lush, full-color photographs, *150 Best Minimalist Interior Ideas* profiles beautiful minimalist rooms around the globe and presents tips, tricks, and techniques revealing how to create your own gorgeous, sophisticated interiors. One of the most popular contemporary interior design trends, minimalism highlights the essence of a room, stressing clean lines, clutter-free spaces, and a limited color palette. In *150 Best Minimalist Interior Ideas*, photographs and floor plans of minimalist homes around the world are featured. The images are of stunning bedrooms, living rooms, dining rooms, kitchens, and bathrooms; and insightful text complements them to reveal why the minimalist rooms are so eye-catching, cathartic, and desirable. The text includes a wealth of both big picture and more focused ideas. It covers subjects such as walls (if and when to use them), doors, and partitions, flooring, lighting, furniture, and staircases, and explores color, patterns, materials, and texture. The homes featured in this extraordinary volume were developed by distinguished international designers at the forefront of the minimalist movement. The result is a guide that offers both inspiration and how-to advice for creating maximum beauty using minimal elements.
