0 of 0 people found the following review helpful. Useful guideBy Owen L. BoumaThe book has good practical explanations and suggestions for gardeners. We look forward to putting this book and its suggestions into practice next spring as we plan and plant our gardens.3 of 3 people found the following review helpful. Good DealBy Desirae JerrettI same this book in a mailing catalogue. I wanted to get it but it was a bit pricy. I found it on and it was half the price so I bought it. It came on time and I had no issues. I have gotten all sorts of great ideas from this book! Between this and pinterst my yard looks great! :)0 of 0 people found the following review helpful. Great bookBy ToddI really like this book. There are so many wonderful ideas and simple recipes to use. I am sure I will be referencing this book

many times over the years.

1,519 All-Natural, All-Amazing Gardening Secrets is filled with old-time wisdom, ingenious advice, surprising tips and expert tricks for the garden of your dreams. With less time, money and effort you can create a beautiful garden. 1,519 All-Natural, All-Amazing Gardening Secrets is filled with old-time wisdom, ingenious advice, surprising tips and expert tricks for the garden of your dreams. With less time, money and effort you can create a beautiful garden. We'll show you how plan and design your garden, choose which plants are best for your climate zone, and maintain your dream garden. Here are just a few of the secrets you'll find in this book: Want greener grass? Add some Epsom salts to a gallon of water and spread it on your lawn. Hoping for juicier tomatoes? Add a spoonful of sugar at just the right time. Trying to keep ants at bay? Make a hot chile and water mash and pour directly into the anthill.
