Tim Newbury : 20 Best Garden Designs before purchasing it in order to gage whether or not it would be worth my time, and all praised 20 Best Garden Designs:

22 of 27 people found the following review helpful. This book has some nice and practicle garden designs. By A Customer This is a good book to generate ideas for your garden. There are a few color photos, and a lot of colored drawings and sketches of garden plans. They give several angles of view for one plan. Each design comes with a planting list. I think it is a nice addition to the gardening library.

For those who want a beautiful garden but dont have the time or the money to develop a plan, 20 Best Garden Designs presents a superb selection of professional designs to suit a range of styles, tastes, and budgets. There is a design for every type of garden from formal gardens to natural gardens, family gardens to woodland garden each accompanied by

a clear and detailed planting plan, color photos, and illustrations and diagrams. Tim Newbury is the holder of three gold medals for garden design from the Chelsea Flower Show. His previous books include Gardening Basics, Patios and Courtyard Gardens, Gardening Design Made Easy, and The Ultimate Garden Designer.
