Home Planners Inc : 200 Farmhouse and Country Home Plans: Classic and Modern Farmhouses from 1,299 to 4,890 Square Feet (Blue Ribbon Designer Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised 200 Farmhouse and Country Home Plans: Classic and Modern Farmhouses from 1,299 to 4,890 Square Feet (Blue Ribbon Designer Series):

0 of 1 people found the following review helpful. good bookBy foothillsgood book of plans found quite a few that would work for usthanks0 of 1 people found the following review helpful. Book as promisedBy CustomerThe book

was in good shape and had lots of neat house designs.4 of 5 people found the following review helpful. I Liked It!By A CustomerI disagree with Cyndi about this book of plans... I believe MOST people will like a lot of the houses in it! I'm in the business, and have found that almost everybody I've shown it to has found 5 good homes in it. I think it has great plans in it for certain people, and everyone should give it a shot!

North America's most popular housing style is explored in depth in this celebration of country architecture. Finely detailed floor plans and exterior drawings demonstrate the great variety in Farmhouse design, which includes Southern, Plantation, Historic, Victorian-Influenced, Colonial and other styles. Complete construction blueprints available for each design. 2-color throughout.
