Carly Wall, Lynne Sturtevant, Gloria Star, Kim Rogers-Gallagher, Skye Alexander, Ken Johnson, Harry MacCormack, Penny Kelly, Llewellyn : 2000 Moon Sign Book: and Gardening Almanac (Annuals - Moon Sign Book) before purchasing it in order to gauge whether or not it would be worth my time, and all praised 2000 Moon Sign Book: and Gardening Almanac (Annuals - Moon Sign Book):

6 of 6 people found the following review helpful. Llewellyn's Tradition Lives On! By M.L. Benton Publisher, Echoed Voices Magazine The Almanac has been a must have over the centuries. Several cultures have relied upon its dates and information, from farmers and gardeners, to Kings and Queens and Heads of State. The 2002 Moon Sign Book brings you a step higher with world renowned Gloria Star reminding us once again why she is one of the world's leading Astrologers. Along with weather and forecasts, Gloria Star provides the monthly lunar forecasts for all the essentials. Learn and then plan the best days to travel or to make a personal or financial decision. Have a hunter or a fisherman in the family? Give them the heads up to make them the Master for Catch-of-the-day! Planning a wedding, or vacation, maybe trying out the garden this year or need help in weight control? Whether you have ever had an almanac or this is your first, the 2002 Moon Sign Book is one you need to have. Included are more than twenty-five articles from different authors, who are experts in their different fields, to bring you interesting facts and moon lore. Saving the best for last: the lunar cycles and phases. The moon is a powerful entity. It controls everything from the tides of the ocean to the fluttering wings of the butterfly. So naturally we want to consult with the lunar cycles for every aspect of our daily lives. If you want this year of your life to be a success, you need to know lunar timing. With easy access tables, all the essentials for day-to-day planning is here. Look for special days for making purchases, or planning a trip. Have a small business or are beginning one? You will need the almanac to give you the best days for a successful venture. For the gardeners, be fruitful and multiply. You can have the best and most beautiful gardens if your timing is right, lunar timing that is! With easy-to-use tables, this year's will be your best garden yet. The 2002 Moon Sign Book provides you with all this plus so much more. The Moon Sign Book has been a best seller for almost a century! The Llewellyn Tradition lives on in the 2002 Edition. M.L. Benton, Publisher, Echoed Voices. Copyright 2010

0 of 0 people found the following review helpful. Five Stars By Lomic A good book.

0 of 1 people found the following review helpful. Very useful...but somewhat inaccurate By A Customer This is the first annual moon sign book I've purchased, and I know that I'll continue to buy future ones. It's helpful in that it gives you an idea of when to take certain actions or what to do on any given day. My only problem is that it's not always accurate. A day that was supposed to go well for me was one of the worst days in months, and a day that was supposedly very bad for travel turned out to be very pleasant. Oh well, it's still entertaining.

A best-selling guide to successful living for almost a century. Get accurate weather and earthquake forecasts for all U.S. zones; economic predictions that help save money; tips on planting sumptuous produce with the help of lunar energy; on-target, monthly lunar horoscopes for every sign; and more than 35 special articles. This year's features include Rescue Medicine for the Garden, Choosing Day Care by the Moon, Outer Planet Transits to the Moon, and Transforming Your Garden with Old-Fashioned Flowers.

.com The waxing and waning of the moon can influence the best time to plant a garden, have surgery, or even go to the library, according to Llewellyn's 2002 Moon Sign Book. This guidebook is packed with charts and articles that offer the essential tools for timing life events according to lunar cycles. Once readers learn how to interpret the lunar chart for the year, they can plan accordingly. Unlike most moon almanacs, the Moon Sign Book works with lunar astrology--which means that all the tables and predictions are based on the moon's placement in the zodiac's constellations. Lunar predictions include detailed information on gardening, such as what dates and time of day to fertilize and harvest specific flowers, herbs, vegetables, and grains. It also includes an extensive list of "best dates" for getting married, having dental work, getting a haircut, and even when to add certain colors into your life. When the moon is in Libra it's time to add green, propose marriage, help mediate an intense situation, and buy some art. --Gail Hudson

About the Author Llewellyn Publications has grown and expanded into new areas of personal growth and transformation since it began as the Portland School of Astrology in 1901. Along with the strong line of astrology books the company was founded upon, Llewellyn publishes books on everything from alternative health and healing, Wicca and Paganism, to metaphysics and the paranormal--and since 1994 has published a growing list of Spanish-language titles. Llewellyn has long been known as one of America's leading publishers of New Age books, producing a wide variety of valuable tools for transformation of the mind, body and spirit. Reach for the Moon--and discover that self-help and spiritual growth is what Llewellyn is all about.
