International Code Council : 2006 International Fire Code: Code Commentary (International Code Council Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised 2006 International Fire Code: Code Commentary (International Code Council Series):

Gain an in-depth understanding of the regulations contained in the 2006 International Fire Code with this comprehensive yet concise resource. The 2006 International Fire Code: Code Commentary provides a guide to the text, tables, and figures of the code. It does this by following each section with a straightforward commentary that offers suggestions for applying the code effectively and the potential consequences of not adhering to its regulations.

A perfect tool for code officials, engineers, architects, inspectors, plans examiners, and contractors, this is a must-have for anyone interested in advancing their knowledge and use of the 2006 IFC.
