**International Code Council : 2006 International Private Sewage Disposal Code (International Code Council Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised 2006 International Private Sewage Disposal Code (International Code Council Series):

The 2006 International Private Sewage Disposal Code is a companion to the International Plumbing Code. It includes provisions for design, installation, and inspection of private sewage disposal systems, and provides flexibility in the development of safe and sanitary systems.

About the Author ICC is a leading organization dedicated to developing a single set of comprehensive, coordinated national model construction codes. To date, 48 U.S. states have adopted various international codes from ICC.
