0 of 0 people found the following review helpful. For all garden lovers.By ShelleyFor all gardener, flower, planting fans.

Its an extensive, informative, and beautifully illustrated reference that no gardener can do without. These 600 perennials, roses, herbs, flowering shrubs, garden wildflowers, and shade plants are both easy to care for and lovely to look at. Each entry includes a color photograph and details on sun requirement, bloom time, ultimate size, and hardiness zone. Most are cold hardy and can flourish in a variety of growing conditions.
