Samuel Butler : A first year in Canterbury Settlement: With other early essays before purchasing it in order to gauge whether or not it would be worth my time, and all praised A first year in Canterbury Settlement: With other early essays:

Introduction By R. A. Streatfeild SINCE Butler's death in 1902 his fame has spread so rapidly and the world of letters now takes so keen an interest in the man and his writings that no apology is necessary for the republication of even his least significant works. I had long desired to bring out a new edition of his earliest book A First Year in Canterbury Settlement, together with the other pieces that he wrote during his residence in New Zealand, and, that wish being now realised, I have added a supplementary group of pieces written during his undergraduate days at Cambridge, so that the present volume forms a tolerably complete record of Butler's literary activity up to the days of Erewhon, the only omission of any importance being that of his pamphlet, published anonymously in 1865, The Evidence for the Resurrection of Jesus Christ as contained in the four Evangelists critically examined. have not reprinted this, because practically the whole of it was incorporated into The Fair Haven. (Typographical errors above are due to OCR software and don't occur in the book.) About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology. Forgotten Books' Classic Reprint Series utilizes the latest technology to regenerate facsimiles of historically important writings. Careful attention has been made to accurately preserve the original format of each page whilst digitally enhancing the aged text. Read books
