Ernest H. Andrae [from old catalog] : A guide to the cultivation of the grape-vine in Texas, and instructions for wine-making before purchasing it in order to gage whether or not it would be worth my time, and all praised A guide to the cultivation of the grape-vine in Texas, and instructions for wine-making:

0 of 0 people found the following review helpful. Grape CultivationBy Gordon JacksonThis book was purchased to

add to my reference library. Covers the basics of setting up a vineyard and raising grapes. Some material is dated. Product was received as described.

This reproduction was printed from a digital file created at the Library of Congress as part of an extensive scanning effort started with a generous donation from the Alfred P. Sloan Foundation. The Library is pleased to offer much of its public domain holdings free of charge online and at a modest price in this printed format. Seeing these older volumes from our collections rediscovered by new generations of readers renews our own passion for books and scholarship.
