Dawn V Pape : A Lawn Chair Gardener's Guide: To a Balanced Life and World before purchasing it in order to gage whether or not it would be worth my time, and all praised A Lawn Chair Gardener's Guide: To a Balanced Life and World:

Entertaining and easy to read, A Lawn Chair Gardeners Guide shows readers why its time for a Yard 2.0 and how

create to create beautiful, functional, and sustainable yards that provide maximum yields with minimal effort. Pape's low-maintenance lawn chair gardens create habitat, conserve water, reduce the carbon footprints, and eliminate the need for chemicals. Mixing one part gardening, one part concern for the environment, and one part personal growth, Pape sets out to change the world, one yard at a time. Best of all, she makes it easy. Pape has a knack for explaining complex topics like organic gardening and companion planting in an approachable way. You too can grow your own food, improve your little corner of the world, and transform your yard into an oasis.

"I've been gardening for years and have shelves of gardening books, yet this is the first one I've read that approaches gardening from a philosophical, moral, and practical viewpoint, covering everything from planning to preserving." Five-Star About the Author Dawn Pape started planting gardens in third grade when she was awarded a packet of seeds by her teacher. Besides gardening, Pape enjoys photography, performing pollinator puppet shows and speaking about functional, environmentally-friendly yards. She is also the author of *Mason Meets a Mason Bee*, *Mason Meets a Mason Bee with K-5 Educator's Guide*, and *Thank You, Bugs!* Pape holds a Master of Science in Environmental Education and lives near St. Paul, Minnesota with her husband and two boys.
