**Mike Harding : A Little Book of Devils Demons (Little Books)** before purchasing it in order to gage whether or not it would be worth my time, and all praised A Little Book of Devils Demons (Little Books):

Presented in this small book are the flying demons of Great Malvern, the Hellmouth on a misericord in Shropshire; Buddhist demons in Nepal and India; not to mention diabolic cats carved in medieval churches in Devon and Derbyshire; and Lucifer, prince of darkness, his skin turning into scrolls of leaves. Impish, leering, scary, and outlandish, this is a fascinating and astonishing collection of stunningly photographed devilry and doom.
