Mike Harding : A Little Book of the Green Man (Little Books) before purchasing it in order to gage whether or not it would be worth my time, and all praised A Little Book of the Green Man (Little Books):

1 of 1 people found the following review helpful. Opinion on Mike Harding's book on the Green ManBy cookingI was somewhat disappointed with the photos in this little book. Compared with Harding's book on gargoyles the photos were not as clear and interesting. However, I must admit that the subject is more difficult because it involves more indoor photography which the gargoyles generally did not. My interest is the study of the Green Man in England, Ireland and Scotland and this book covers world wide examples which I certainly appreciate, but are not my interest. The commentary is succinct and entertaining and worth dipping into.0 of 0 people found the following review helpful. Nice pictures, Weak textBy M.J.G.C.Nice pictures. Relatively shallow and scattershot treatment of the topic, short on scholarship. Disappointing.1 of 1 people found the following review helpful. The Green ManBy E. Kant SayFascinating study of an image that is ubiquitous. You've seen his face almost everywhere, yet you never stop to think about who he is. Got me going on a photo safari to find as many images as possible. Not difficult. Just look around you with newly opened eyes.

This series of beautifully produced small books is intended to be an introduction to the often hidden worlds that lie within the great churches and cathedrals of the British Isles, Ireland, and Europe. Mike Harding presents a selection of the most fascinating manifestations of green men, gargoyles, misericords, and stained glass, explaining the background

and meaning behind each subject in text and illustrations.

About the Author Mike Harding is the author of *A Guide to Tying North Country Flies* and eight *Little Books for Aurum*, including the perennially successful books on the Green Man and Gargoyles. He is also a high-profile radio presenter with his weekly folk music show on BBC Radio 2, and hosts the annual BBC Folk Awards. He lives in West Yorkshire.
