I accidentally left it out on the table and he picked it up and starting reading it immediately. The surprise was ruined but he did like the book. I only took a brief look at it but it looked nice.0 of 0 people found the following review helpful. Four StarsBy Flying BearI this book.0 of 0 people found the following review helpful. one of the best on the marketBy George HoltonWish I would have bought this years ago, one of the best on the market.

A Logbuilder's Handbook is a thorough how-to manual filled with clear instructions and sound advice. It is uncompromisingly written for those who wish to experience the satisfaction of working with their hands to build a home of their own in a traditional way, with logs.
