**Richard A. Ritter : A Plumbers Guide to Healthy Pipes** before purchasing it in order to gage whether or not it would be worth my time, and all praised A Plumbers Guide to Healthy Pipes:

In my book, you will find many healthy and helpful foods to consume that will help your plumbing pipes stay clean, pristine, and flowing smooth. And you will have a few laughs along the way.

About the Author Richard A. Ritter was born on March 16, 1965, in the suburbs of Toronto, Ontario Canada. He was born to immigrant parents who arrived in Canada in 1957. His father was German and mother was from a small island in the west Indies called St. Vincent. Growing up he loved and played all sports, as well as bodybuilding, and was surrounded by a loving family and lots of good friends. Richard graduated from high school in 1983, and worked at many different jobs until finally starting his plumbing apprenticeship in 1988. After completing his apprenticeship he worked on many big projects in the city of Toronto, and also ran a successful plumbing business. In 2010 he became a plumbing professor at a large college, and taught many great students. Richard is the father of 4 children and now resides lakeside in central Ontario, Canada.
