All of my children enjoy it, from 9 on down to the little toddler. The illustrations are pretty. There is so much information packed in here without being preachy. My 4 year old especially requests this one to be read aloud. This is a great book to have for a unit study, or just for your own little one's library.0 of 0 people found the following review helpful. Good BookBy eric wattsGood book. A little too wordy for my preschoolers but my 1st grader enjoyed it.0 of 0 people found the following review helpful. Five StarsBy Mom of threeExactly what I needed
