Rosemary Bakker : AARP Guide to Revitalizing Your Home: Beautiful Living for the Second Half of Life before purchasing it in order to gage whether or not it would be worth my time, and all praised AARP Guide to Revitalizing Your Home: Beautiful Living for the Second Half of Life:

Branded with the authority and expertise of AARP, this essential guide will help families reimagine, redecorate, and remodel their home for the second half of life. Designed to empower 50+ adults, AARP's Guide to Revitalizing Your Home shows how to age in place by refurbishing your existing house using universal design elements-such as walk-in showers, level outdoor walkways, ample lighting, and kitchen appliances that eliminate the need to bend. These design

suggestions can make your home safer and easier for everyone-no matter their age-without sacrificing beauty and style.Older adults and their families will find hundreds of inspiring photos, checklists to take personal inventory of their needs and the universal potential of their home, tips for working with contractors, simple DIY fixes, and much more.
