**Karen Witynski, Joe P. Carr : Adobe Details** before purchasing it in order to gage whether or not it would be worth my time, and all praised Adobe Details:

0 of 0 people found the following review helpful. Great addition for the Santa Fe Style LibraryBy DrJakeBeautiful little book with lots and lots of beautiful little pictures.7 of 7 people found the following review helpful. PerfectBy Laura M. McBrideI gave this as a gift to my brother who is thinking of building an adobe home. I was on the phone with him when he opened and went through it. He said it was exactly what he was looking for and that he had tried to find a book similar to it in New Mexico but could not find what he wanted. This book answered many questions he had on specific adobe style and integrating some contemporary ideas. Beautifully photographed as well.4 of 4 people found the following review helpful. Beautiful ReferenceBy J. CookeThis is a great primer for anyone decorating in a traditional Southwestern style. It is beautifully photographed. It's a small book but you will browse it over and over again !!!

In their fourth book, authors/designers Karen Witynski and Joe Carr forage through the American Southwest and mountains of Mexico in search of the furnishings, accents and architectural elements that reveal its time-honored beauty and character. From rugged Arizona ranches and haciendas to contemporary Santa Fe homes, Adobe Details celebrates the natural materials--earth, wood and stone--that proudly bear evidence of the human hand. From adobe walls textured with agave fibers to hand-adzed vigas and gleaming Saltillo-tile floors, the adobe home is alive with

rich surfaces that evoke a casual, timeless context. Adobe Details will show you how to achieve the look.

From the Publisher In vivid detail, Carr and Witynski reveal the elegant simplicity of the adobe design style: sculptural walls, nichos and bancos with contoured corners and softly flowing lines, breezy portales, stone-paved courtyards, and cross-cultural furnishings that exude warmth and grace. From the Inside Flap In their fourth book, authors/designers Karen Witynski and Joe P. Carr forage through the American Southwest and mountains of Mexico in celebration of the furnishings, accents, and architectural elements that reveal time-honored beauty and character. From rugged Arizona ranches and haciendas to contemporary Santa Fe homes, Adobe Details celebrates the natural materials--earth, wood and stone--that proudly bear evidence of the human hand. From adobe walls textured with agave fibers to hand-adzed vigas and gleaming Saltillo-tile floors, the adobe home is alive with rich surfaces that evoke a casual, timeless context. In vivid detail, Carr and Witynski reveal the elegant simplicity of the adobe design style: sculptural walls, nichos and bancos with contoured corners and softly flowing lines, breezy portales, stone-paved courtyards, and cross-cultural furnishings that exude warmth and grace. Favored decorative accents include richly hued textiles, antique trunks with decorative iron lock plates, hardy Mexican tables, glazed pottery, and handcrafted tin and copper mirrors. Featuring brilliant close-up photographs, Adobe Details is alive with the decorative elements that add depth and visual interest to adobe interiors, softening edges and creating emotional connections to simpler times. About the Author Award-winning authors Karen Witynski and Joe P. Carr have been at the forefront of the Mexican design movement for over twenty-five years as interior designers and antiques dealers. Their Mexican design book series includes six titles: Mexican Country Style, The New Hacienda, Casa Adobe, Adobe Details, Casa Yucatn, and Mexican Details. Based in Austin, Texas, Carr and Witynski are the owners of Texture Antiques, an interior design firm and gallery specializing in hacienda style, Mexican colonial furniture, and architectural elements. Their design work has been featured in Architectural Digest, House Beautiful, and dozens of other magazines and newspapers. Individually, Witynski photographs homes and gardens for national publications and Carr is a hacienda consultant and furniture designer. Award-winning authors Karen Witynski and Joe P.
