**Andi Clevely : Agua en el jardin (Jardineria en Casa) (Spanish Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Agua en el jardin (Jardineria en Casa) (Spanish Edition):

With practical, do-it-yourself instructions, this gardening guide demonstrates how to introduce water elements into a garden whatever the size, objective, or budget for it. All the methods for building a pond, a spout, or a waterfall are made easy with clear directions on size calculations and water pump construction and installation. Advice on introducing islands, banks, lighting, and fish is also included. Con unas instrucciones prcticas y de bricolaje, este gua de jardinera muestra cmo introducir el elemento agua en un jardnde cualquier tamao, objetivo, o presupuesto del proyecto. Facilita todos los mtodos para construir un estanque, un surtidor, o un salto de agua, proporcionando instrucciones claras sobre clculos de tamao y construccin e instalacin de bombas de agua. Tambin da consejos sobre cmo se pueden introducir islas, mrgenes, iluminacin, y peces.

About the Author Andi Clevely manages a country estate and garden near Stratford-upon-Avon, Warwickshire. He is the author of several books and in 2003 won the Garden Writers' Guild Award for Practical Journalist of the Year. Steven Wooster is an award-winning photographer specializing in garden and plant photography.
