Great Book - Terrible OdorBy Sharon M MonroeThe book is excellent, however it had the old book odor, which I have been trying various things to eliminate. Think that should be part of the a book description too. My son, the collector, spent two hours reading it when I gave it to him. He couldn't put it down even though he had to get up at 4:00 a.m.0 of 0 people found the following review helpful. Five StarsBy Jerry NaveYes it had a lot more information in it than the old book1 of 1 people found the following review helpful. Excellent introduction and reference on Aladdin lampsBy PierreExcellent introduction and reference on Aladdin lamps. The company history is interesting, but a lot has happened since the book was written in 1997. (Aladdin Industries is now a trade name owned by others and no longer does any manufacturing, but the mantle lamp division lives on in Clarksville, TN as a separate company).

For the Alladin enthusiast, this book also has parts list dated 1980, and sales brochure
