Water will bring a garden miraculously to life, drawing the eye more than any other feature. When still, its shimmering reflections create a peaceful mood, while moving water animates the garden scene and delights with its mesmerizing sounds. In this definitive guide, Alan shows you how to design and make a water feature to suit any size and style of garden, from a large wildlife pond, stream, or rill to the tiniest pebble or wall fountain. \* Easy-to-follow instructions and step-by-step diagrams \* AZ directory of Alan's recommended pond and waterside plants \* Guide to choosing and caring for fish \* Key tips on encouraging wildlife to your pond \* Season-by-season guide to pond maintenance.
