1 of 1 people found the following review helpful. FabulousBy Dianne CaswellWhat else can I say but FABULOUS!!!!!!!!!! This is a beautiful publication for anyone who loves their garden or simply loves beautiful Botanical Drawings/Paintings. What a please it is to have this on my coffee table in my sunroom.2 of 2 people found the following review helpful. fantasticBy Sherry PenceI love this book. The art has a nostalgic and elegant feel. The pages could easily be framed and hung on the wall.0 of 1 people found the following review helpful. One StarBy NYCI sent it back, it came damaged

An art book for food lovers: Mouthwatering illustrations of 19th century French garden vegetables
