I am still working on completing our Japanese garden and this book provided some nice images as examples. My husband and I visited Japan in 2012 and some of the images were from Japan's famous gardens.0 of 0 people found the following review helpful. Ortho's All About Creating Japanese GardensBy DarleneVery helpful! The pictures and diagrams and plant lists were very helpful in designing a corner of my yard where I wanted to get rid of grass. I'm thrilled with my results without having to hire a designer all due to the

Some are beautiful coffee table books and are great to look at and escape into, but this book is hands down the best for practical planning and building a Japanese garden...and at a fraction of the cost of the others!

Japanese gardens have long been appreciated for providing beautiful, tranquil spaces that evoke feelings of sanctuary, often in short supply these days. This practical guide to Japanese gardening teaches you how to: Use centuries-old garden design techniques to create tranquil spaces that evoke a feeling of sanctuary. Select and arrange plants and ornaments in a traditional design while at the same time emphasizing your personal tastes. Calm your busy lifestyle, inspire peace of mind and reflect nature to create serenity.
