**Ortho Books : All about Ground Covers (Ortho's All about)** before purchasing it in order to gage whether or not it would be worth my time, and all praised All about Ground Covers (Ortho's All about):

Ground covers are one of the most interesting groups of plants in today's garden. They provide a versatile lawn replacement that takes less maintenance than turf, and uses less water and fertilizer. This book offers all the information you need to select the right ground cover for your region and needs and care for it properly. Includes photographs of more than 200 ground covers.
