Tina Skinner : All Decked Out...Redwood Decks: Ideas and Plans for Contemporary Outdoor Living (Schiffer Design Books) before purchasing it in order to gauge whether or not it would be worth my time, and all praised All Decked Out...Redwood Decks: Ideas and Plans for Contemporary Outdoor Living (Schiffer Design Books):

Redwood Decks: Ideas and Plans for Contemporary Outdoor Living is absolutely packed with more than 200 big, full-color photographs of fabulous decks from around the country, along with plans and building instructions for do-it-yourselfers. These great deck photos serve as a valuable resource for homeowners shopping around for exciting deck ideas. Here you can find ideas for overcoming problem slopes, incorporating treasured trees, encircling spas, creating

conversation pits, and enhancing gardens. It shows how simple additions, such as stylized railings or varied floor patterns, can evoke images of Japanese gardens or colonial elegance. For those who want to undertake their own construction project, there's a cut-out planner along with blueprints and lots of helpful hints to get you started. Redwood Decks is a complete start-up kit for anyone looking for ways to refocus their life in the great outdoors.
