Juliette Clarke : An Illustrated Gardener's Notebook (Illustrated Notebooks) before purchasing it in order to gage whether or not it would be worth my time, and all praised An Illustrated Gardener's Notebook (Illustrated Notebooks):

5 of 5 people found the following review helpful. Great little gardening journalBy Lana ChaddicThis is a great little gardening journal for any level of gardener. It's so beautiful, filled with exquisite watercolor botanicals and amusing quotes from gardeners, like Thomas Jefferson, it is hard to decide whether or not to actually write in it. This is the perfect gift to any gardener.

Always a series denoting value and quality, the "Illustrated Notebooks" are now a good thing made better! Each page carries the soft pen and wash illustrations of the talented artist Juliette Clarke with a humorous or sensitive quotation. Refreshing new covers, along with several more high-interest subjects, will make this series sell even better than when

they were first published.
