Annie Sloan : Annie Sloan's Chalk Paint Workbook: A practical guide to mixing paint and making style choices before purchasing it in order to gage whether or not it would be worth my time, and all praised Annie Sloan's Chalk Paint Workbook: A practical guide to mixing paint and making style choices:

Annie Sloans Chalk Paint Workbook is part sketch book, part practical guide to working with the different key styles that Annie and co-author and son, Felix Sloan wrote about in their book 'Room Recipes for Style and Colour'. Room

Recipes had step-by-step guides and plenty of how-tos with the Chalk Paint Workbook its over to you. The Chalk Paint Workbook is grouped into sections, with space for you to jot down your thoughts and play with different shapes, colours and patterns. There are also handy pockets for storing magazine clippings and fabric swatches. Use it like youd use a sketch book or scrap book and experiment with your style.
