Maxwell Ryan, Janel Laban : Apartment Therapy Complete and Happy Home before purchasing it in order to gage whether or not it would be worth my time, and all praised Apartment Therapy Complete and Happy Home:

69 of 70 people found the following review helpful. like really really prettyBy AlexandraThe cover is gorgeous, like really really pretty. The book is fine; the difference with most home decor books is that this one doesn't only show pictures of nicely decorated dwellings, but it also works as a guide to choose your house and to decide which style suits you best and how to accomplish it. The pictures are nice and bright and the size is fine. It is not like those huge coffee table books but it is big enough to display it in your living room. The reason I gave it four stars is because it has a design problem that can't be overlooked in a book about design and aesthetics. Because of a poorly performed diagramming, there are incomplete sentences. Some paragraphs are just cut by the pictures and you have to guess what's written. It's hard to believe that no one noted this "detail" before sending this book to the printing. I must say it's very disappointing.7 of 7 people found the following review helpful. Publishing errorsBy RMKI was disappointed to find some graphic design errors in the layout of this book that leave a few paragraphs cut off and unreadable. I follow

AT religiously and was surprised the publishing house didn't catch these. Otherwise, it's a helpful read. I would recommend Maxwell's first book even more highly. Although it's just a paperback in black and white, the advice is solid and I've gone back to it time and time again through the years. 2 of 2 people found the following review helpful. I was SO disappointed with this book By T-Dub I was SO disappointed with this book! I pre-ordered and got a good price (and a cute red AT tote, thanks Maxwell!) I was so looking forward to flipping thru this book...but almost all of the photos are of UGLY, cluttered, dark rooms. Most of the decor featured is very oddball- and I don't mean kitschy or playful or unique. I found literally NO new ideas that I would incorporate into my space, most of the rooms in this book need makeovers IMO. The first part of the book contains great and useful decorating info and tips but that just wasn't enough to save the truly unappealing rooms featured. Sorry, this book was a FAIL.

NEW YORK TIMES BESTSELLER The most comprehensive and complete home book from Apartment Therapy, featuring every aspect of design and decorating from floor plans to paint, specific rooms to style approaches, with the goal of setting up and living well in a place you love. A complete and happy home is so much more than a series of pretty rooms. Between these two covers, we've captured everything we've learned at Apartment Therapy about decorating, organizing, cleaning, and repairs, so you can make and maintain your own fabulous home. from the Introduction Getting a room to feel right is more instinct than science. You know a great space when you see it. Apartment Therapy trains your eye with more than 75 rooms, from bedrooms to kitchens and living rooms to kids rooms and workspaces. Explore every detail lighting, color palettes, flooring, and accessories that brings a home to life and, most important, makes you happy in it.

"Apartment Therapy is a trusted, go-to resource for many of us and now it's a book. Apartment Therapy Complete and Happy Home is a must-have coffee table tome that shines a light on the seemingly lost art of homemaking." Refinery29 "The most definitive title from the blog that started a digital design phenomenon is a can't miss. Filled with helpful tips, inspiring photos, and approachable advice, it illuminates the design process for recreational designers who want to turn the everyday into something beautiful." Lonny "The brains behind the always clever and creative Apartment Therapy website bring their expertise to the printed page with this value-loaded guide to finding and making a livable and personal home. Tips on choosing colors, floor plans and even light bulbs along with practical organizing and cleaning pointers make this a must-read." Traditional Home "Even if she has the perfect house, there are great ideas to be had in [Apartment Therapy's] new book." Every Day with Rachael Ray "Ryan and Apartment Therapy's executive editor, Janel Laban, have co-written a book that digs deep into the nitty-gritty of creating a home: the art of turning a few rooms full of furniture into a well-designed, livable, put-together space." Houston Chronicle "Readers will find all the tools needed to find, make, and maintain a suitable home. Whether you're a seasoned homeowner looking to freshen up or organize your lair, or a first-time homeowner, this book might be just the ticket for taking your living space up a notch or two in the design department." Detroit Home "Useful, pretty and full of information . . . Its easy enough to pick up and read 5 minutes at a time, and pretty enough to pick up and not even read a word." Emily Henderson "In Maxwell Ryan and Janel Laban's newest and most comprehensive book, they offer practical ideas for setting up, organizing and living in whatever place you call home. The three-part book first helps you understand and evaluate your space and your personal style. In section two, you begin to train your eye by looking at 75 of the most well-styled rooms in the country. Finally, a guide to cleaning, repairing and room-by-room organizing helps you maintain your happy home all year-long." The Atlanta Journal-Constitution
