California. State Commission Of Horticulture, George Weldon : Apple Growing in California: A Practical Treatise Designed to Cover Some of the Important Phases of Apple Culture Within the State (Gardening in America) before purchasing it in order to gage whether or not it would be worth my time, and all praised Apple

Growing in California: A Practical Treatise Designed to Cover Some of the Important Phases of Apple Culture Within the State (Gardening in America):

""George Weldon, in conjunction with the California State Commission of Horticulture, created this 1914 work to aid in the successful commercial cultivation of apples within the state.""
