A. L. DuBois : Apples of New York: the story of how New York State became the Big Apple before purchasing it in order to gage whether or not it would be worth my time, and all praised Apples of New York: the story of how New York State became the Big Apple:

1 of 1 people found the following review helpful. Apples of New York is an informative and enjoyable readBy CustomerAn informative and original history of the apples that made New York famous and rich. The 26 illustrations of Heritage apples are exquisite . Along with 23 terrific recipes from prestigious sources and the helpful information on historic orchards and the many festivals. A terrific book for the history buff, traveler, botanical art enthusiast, and cook .

Apples of New York is a book that tells the rousing good story of how New York State became the Big Apple.It starts with the colonists importing their beloved apples from Europe.Onto the Revolutionary war,Civil war ,both World wars and it reveals the surprising connection with the Harlem Renaissance, Russia , so much more. Included are 26 full color, full page Botanical paintings of Heritage apples by the renowned artist A.L. DuBois with a listing of orchards where they are grown and sold.Also there is coverage of the many apple festivals that exist throughout the state. Then we need to remember the reason apples are the most popular fruit in the world. So 23 heritage and modern recipes are included.Some come from the famous Culinary Institute of America.

Tells the exciting story of the apple from the gods of Paradise to its arrival from Europe to New York and how the state became known as "The Big Apple." -Mountain Eagle, N.Y.
