David Andreu Bach : Architecture Today: Landscape before purchasing it in order to gauge whether or not it would be worth my time, and all praised Architecture Today: Landscape:

30 of the best international Landscape Architects. Landscape Architecture Today is the first large-scale book of its kind to showcase a complete and diverse range of landscapes created in the past ten years. This thorough collection of in-depth case studies incorporates every type of landscape design project possible, from those at private homes and offices to large-scale government-sponsored creations.
