Jean Hutchinson : Art by God: Yard Critters (Volume 2) before purchasing it in order to gage whether or not it would be worth my time, and all praised Art by God: Yard Critters (Volume 2):

ART BY GOD: Yard Critters is another verbal and visual art exhibit of photographs, paintings, poems and prose. The second work in a series of three worship journals, Yard Critters reflects the author's personal observations, meditations

and praises about God's world.

About the AuthorA former educator, Jean Hutchinson has published a colorful journal using skills as writer-photographer-artist, showing nature scenes from two cities in which she lived.
