Ken Howard : Art Class: A Beginner's Complete Guide to Painting and Drawing before purchasing it in order to gauge whether or not it would be worth my time, and all praised Art Class: A Beginner's Complete Guide to Painting and Drawing:

0 of 0 people found the following review helpful. Perfect beginner art book for meBy GamieTiaBettitaPerfect! Like-new and with dust jacket still. Very nice condition book! I like its instruction format. For me, as a beginner, it's perfect.

This book provides everything beginning artists need to know to get started: highly practical instruction in the fundamentals of drawing, painting in watercolor and oil, and composition and perspective. The book contains 450 photographs and illustrations, as well as drawings, diagrams, and an index.
