Michael Gotkin : Artists' Handmade Houses before purchasing it in order to gage whether or not it would be worth my time, and all praised Artists' Handmade Houses:

1 of 1 people found the following review helpful. Wonderful Detailed PicturesBy Lovestobake Wonderful detailed book. Bought as a Christmas gift for my husband. He has an extensive library of architectural books. This is a wonderful addition of a different time period and photos with interesting details in the photos not often seen. My husband had told me on more than one occasion how happy he is with this new addition to his library.0 of 0 people found the following review helpful. WONDERFUL BOOK!By Tom MerrillWONDERFUL BOOK!0 of 0 people found the following review helpful. Unusual, different picture bookBy Amy Ryberg Very interesting, nice pictures, not amazing, but good
