Not only did this book give me great ideas on how to make my studio function better just by observing other artists' studios, but the photographs were wonderful, the color good, the overall quality and design of the book fabulous. Great gift for yourself or the artist (or non artist!) in your life.0 of 0 people found the following review helpful. ... but not quite what I wanted but I will enjoy it.By RocketCityNanaInteresting book but not quite what I wanted but I will enjoy it.0 of 1 people found the following review helpful. Great cover!By CustomerGreat cover! Loved the variety of studios in different parts of the country... I especially like my 2 pages. Great photographs and good lay-out.Thank you E. Ashley Rooney! Go behind-the-scenes of the art world as you tour the homes and studios of 86 international artists. Some studios are large, with lovely high ceilings and oversized skylights. Some are modest, even cramped. Some are amazingly pristine and carefully ordered with drawing spaces, painting galleries, and meditation zones. Some are a study of chaos, but in all of them the artists are inspired to create. Whether working in oils or pastels, sculpture or glass, ceramics or wood, today s artists are as varied as their work, with studios that range from chicken coops and horse barns to entire islands and extra bedrooms. Through 321 color images, enjoy this glimpse into contemporary artists' lives.

About the AuthorE. Ashley Rooney has written extensively on art, architecture, and design. She drew from her work with many artists in undertaking the 100 New England, Mid-Atlantic, Midwest, Southern, Northwestern, Southwest, and Green art books in writing this work.
