Gregory Paolini : Arts Crafts Furniture Projects before purchasing it in order to gauge whether or not it would be worth my time, and all praised Arts Crafts Furniture Projects:

2 of 2 people found the following review helpful. enjoyed his Fine Woodworking articles By Mike Burger We have taken Gregory's Morris chair class, used his plans, enjoyed his Fine Woodworking articles, and own his other two books. This book is a major advancement and professional achievement; he provides insightful tips, top notch plans, and a pragmatic approach to woodworking. His masterful instruction separates this book from the many other woodworking books that we own. This is one book that every beginner and intermediate woodworker must add to his/her collection! 0 of 0 people found the following review helpful. All woodworkers should read this book! By Tom L Noffsinger Greg's descriptions are clearly written and very easy to understand. As one of his frequent students at his school, I can say that it is almost as good as attending in person. An extremely informative book for any furniture maker. Tom Noffsinger, The Sore Thumb Woodworking, Raleigh, NC 1 of 1 people found the following review helpful. Great book for woodworkers By B. Rutledge Very well written, with lots of helpful photographs. I have about

100 woodworking books, this is easily in top 10%.

Build skills and classic furniture pieces for your home. Author Gregory Paolini is a professional woodworker, with an affinity for the Arts and Crafts style.
