**Jean Mahoney, Peggy Landers Rao : At Home with Japanese Design: Accents, Structure and Spirit** before purchasing it in order to gauge whether or not it would be worth my time, and all praised At Home with Japanese Design: Accents, Structure and Spirit:

1 of 1 people found the following review helpful. japanese design By Michael S. this book is everything Japanese in home construction. If you wish to incorporate Japanese design into your living space, this book will give you bold and subtle accents for that purpose. 2 of 2 people found the following review helpful. Great Japanese/American decorating book By Cal in Japan Wonderful book to look at over and over again. Great ideas for decorating with all the Japanese furniture, dishes and fixings. Can not wait to take some of the ideas from the book and use when back in the states. Guess it is off to the antique and shrine sales to look for more decorations. 0 of 1 people found the following review helpful. Five Stars By Patricia M. Roberts Book arrived in excellent condition, fast shipping too! Great job, thanks.

A wonderful introduction to the richness of Japanese culture, providing insights into the philosophic and aesthetic

principles that underlie Japanese style. It is also a 'how to' book, with hundreds of useful ideas for integrating the simple elegance of Japanese design into your lifestyle.

About the Author Jean Mahoney, a graphic designer and watercolorist, has an extensive background in advertising and art direction. Peggy Rao, a journalist and copywriter, has extensive experience in publishing and advertising in New York and Switzerland.
