Kaya Doi : At Rainha's Garden (Japanese Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised At Rainha's Garden (Japanese Edition):

On the side of the mountain is a small house with a small garden where the cat Harnya lived. A lovely picture book illustrating the changing seasons of a garden. For four years and up. In Japanese. Annotation copyright Tsai Fong Books, Inc. Distributed by Tsai Fong Books, Inc.
