BoutteIf you want to attract birds to your garden, this is a must have book! It has so much valuable information!

Helps you create beautiful habitats for the songbirds in your region.

This book is unique because it combines horticulture, landscape design, and agriculture something no other book for our region offers. (Baton Rouge Sunday Advocate) If you'd like to learn more about birds and how to invite them into your landscape, an excellent book is *Attracting Birds to Southern Gardens*.
