**William Ince, John Mayhew : Authentic Georgian Furniture Designs: Universal System of Household Furniture, 1762 (Dover Books on Furniture)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Authentic Georgian Furniture Designs: Universal System of Household Furniture, 1762 (Dover Books on Furniture):

0 of 0 people found the following review helpful. georgian furniture designsBy Kenneth Hitchcockan excellent example of it's type with details expected for a tome of this genre. A very good read with an insight to how furniture should be made.0 of 0 people found the following review helpful. Original information about antique furnitureBy MalevaThe information provided about this book is accurate. I bought this for my son is, who is very interested in

antique furniture and in original comment about it. It appears to be exactly as described and will be a good reference.

Excellent reprint of 18th-century cabinet-makers' pattern book, which surpasses all collections of furniture designs in the English rococo style for variety, scope and general superiority. Over 300 finely engraved designs for parlor chairs, claw tables, sideboards, desks, ladies' secretaries, bookcases, writing tables, candlestands, couches, draperies, girandoles, and more.
