review helpful. Four StarsBy Randy BuckleyPlenty of great tips to keep safe8 of 9 people found the following review helpful. not much hereBy John S. KasperI was mostly disappointed in this small phamplet. This 30 page book of use and maintenance, half dedicated to chainsaws, spends two of them on sharpening chainsaw blades, and the author actually reveals that he's never gotten the "courage" to attempt to sharpen his own.If you are an experienced sawsman looking for those little extra maintenance pointers and hints, you won't find them here.If you have never picked up an axe or chainsaw, ask a buddy for help.

Since 1973, Storey's Country Wisdom Bulletins have offered practical, hands-on instructions designed to help readers master dozens of country living skills quickly and easily. There are now more than 170 titles in this series, and their remarkable popularity reflects the common desire of country and city dwellers alike to cultivate personal independence in everyday life.
