1 of 1 people found the following review helpful. Great book! By C. Gant Great book full of good advice. A little bit confusing when speaking about the pruning of grapes and blueberries but overall a good quality book. 0 of 1 people found the following review helpful. Five Stars By Les OAs advertised. 0 of 1 people found the following review helpful. Good book By yodalayhe Good book, love it.

Offers advice on selecting and planting fruit, harvesting, propagation, pruning, and coping with diseases and pests, and describes popular varieties of fruits, from apples to strawberries.
